

TESTIMONIAL

We all know the friendly welcome, delicious food and great service that are to be found the moment you walk in the door of CiCi's Pizza, Flower Mound; but, did you know the extra-mile that the owners and management team go to support our community?

Owners Brian Cole and Quin Newhall *are something special!* They have genuinely created a family atmosphere in and out of their restaurant. This is evident not only in their passion for community involvement, but also in the dedication to the local students they employ.

In the past three years, through fund raisers and donations to local schools, churches and youth organizations, CiCi's has reinvested over \$40,000 back into the community of Flower Mound. If you are the parent of an elementary-aged child, you have surely felt the partnership with CiCi's when attending a school fund-raiser night yourself! It could be said that CiCi's is in a silent partnership with the local high schools as well. CiCi's has employed dozens of students over the years, including some students with special needs, helping to develop them into confident, independent young adults with accomplishments and skills that can only be learned on the job. Additionally, moving into the higher education years of our youth, CiCi's pays \$500 towards the purchase of textbooks for college-attending employees.

The generosity of CiCi's is contagious. On Wednesday evenings, you will find Johnny TopHatz in the house, entertaining children with his balloon art. Johnny also gives back by donating a portion of his salary and proceeds from balloon making. So please remember, the next time you choose to dine at CiCi's, you are supporting the prosperity and growth of not only your community, but also contributing to the individual development of some of our local youth!

CiCi's Pizza offers 16 kinds of fresh pizza, pasta and salad, plus desserts, for only \$4.49 per adult. Kids under three eat for free. They are located at 1901 Long Prairie Rd. in Flower Mound. FM 2499 & FM 3040 - (972) 691-9900.
